Interest Survey

Bamboo Blue is considering opening its oven doors to food entrepreneurs seeking kitchen space, and we need your feedback. Our new venture, named Looking for Cooking, is just getting off the ground and this survey is a way for us to gauge the need in our community for such a space, as well as the types of services needed. We are seeking individuals and small groups interested in using the kitchen on a regular basis during off-hours. If you're interested, please complete this survey and fax to (708) 799-7407, or contact us at (312) 316-9466. We want to know what our future tenants might need from such a service, and we look forward to hearing from you.
